morelock app

app

Welcome!

morelock app enables mobility!

You wish to make on-site changes to your M-SID device? Or you wish to read your measured data locally? No problem! Simply install the morelock app on your Android smartphone or tablet and connect via Bluetooth with your M-SID. All settings can be easily executed via click and slide control and transferred to the M-SID.

Just install the app and take our software with you!

*Exclusively available from Morelock Signs Ltd.
