

ROLL-UP SIGNS

Roll-up signs

Versatile, lightweight & simple to use

Aimed at Highway Maintenance Engineers, Inspectors or Incident Support Units, Roll-up signs are ideal for those situations where both space and time is limited.

Conveniently sized for storage in the car boot, they can be deployed in seconds by a lone operator, and can be packed away just as quickly.

- Flexible, versatile & strong
- Two stand sizes
- Street legal mounting height
- Compact & stable

Interchangeable sign-faces:

The durable but lightweight PVC facings are interchangeable, giving a great deal of flexibility.

600mm or 750mm sizes are available, in a choice of either Class RA 1 or Class RA 2 reflectivity, compliant to Chapter 8 & TSRGD.

Pop-on panels allow for interchangeable left/right arrows.

Sign Face examples:

A range of supplementary plates are also available; they are secured to the main sign panel with pop-on fasteners.
