- **Magnetic or self adhesive**  
(supply only or supply & fit)
- **GRP chevron boards**  
(for trucks or MLC vehicles)
- **3M Retroreflective chevrons**  
(market leaders in prismatic sheeting)
- **Any make/model of vehicle\***  
(including full vehicle graphics)
- **Bespoke designs**

## Microprismatic 3M

# DG<sup>3</sup>

(diamond grade cubed)

Aimed at the services and highway maintenance vehicles, our markings are designed for the professional.

Know that your vehicle is both fully compliant with new legislation, and made from the highest quality reflective materials available - be safe and be seen on the highway!

Series 4000 DG<sup>3</sup> is a state-of-the-art, full cube prismatic reflective sheeting that delivers optimal performance at all sight distances. Its optical elements return almost 60 percent of available light to drivers—nearly double that of other prismatic sheetings.

\* We have outlines for the majority of vehicles, but may need you to supply sizes and images.
